February and March 2017

WATR Open Lab Schedule

About Open Lab

Assistive Technology (AT) is any item, piece of equipment, software, or product system used to increase, maintain, or improve functional capabilities of persons with disabilities.

By visiting our Open Lab, you can learn about and have hands-on experiences with the AT WATR offers through our short-term (6

week) loan program as well as view what AT is available for sale in our reuse program. WATR has communication devices and assistive technology to aid in daily living, vision, hearing, and learning.

We welcome AT users, students, instructors, community members, or anyone who wants to learn more about assistive technology and WATR resources!

When: Scheduled Wednesdays and Thursdays from 2-4 p.m.

Where: WATR Lab, College of Health Sciences, Room 151 (intersection of 9th and Clark Streets, across from Turtle Rock Cafe), Laramie, Wyoming.

Thurs. February 2: Technology for senior citizens - *Find out what technology can aid a senior citizen in their daily lives.*

Wed. February 8/Thurs. February 9: Tools for notetaking - *Try the Livescribe ECHO pen and find out what apps are available to aid in notetaking.*

Wed. February 15/Thurs. February 16: iCanConnect - *Learn about Wyoming's National Deaf-Blind Equipment Distribution Program.*

Wed. February 22/Thurs. February 23: Resources for funding assistive technology - *Learn about the Wyoming Technology Access Program (WyTAP).*

Wed. March 1/Thurs. March 2: OSMO Pizza Company and Coding with Awbie - *Visit Open Lab and play the newest OSMO games; Pizza Company and Coding with Awbie.*

Wed. March 8/Thurs. March 9: Accessible Education Materials (AEM) Services - *Learn about accessible educational formats.*

Wed. March 15/Thurs. March 16: Reuse equipment for sale - *WATR has gently used equipment for low vision, learning, or communication for sale at a low cost in our reuse program.*

Wed. March 22/Thurs. March 23: Remote control speakerphone - *Check out the Serene Innovations' model*

RCx-1000 Remote Control Speakerphone, voice activated-no touch!

Wed. March 29/Thurs. March 30: Mouse alternatives - See what adaptive mice WATR has available for loan or reuse that you can use at your workstation, like the 3M Ergonomic Mouse.

Open Lab is online!

Cannot attend in person? Join any scheduled Open Lab via Zoom distance technology through your webcam from your PC, Mac, iOS or Android using this Zoom link:

<https://zoom.us/j/547279238>

****Please contact WATR staff to schedule a login time between 2 and 3:30 p.m. MST.**

(307) 766-6187 or toll free: (888) 989-9463 or E-mail:
watr@uwyo.edu.

WATR has reuse devices for great prices!

Visit WATR during our open lab hours and receive a 25% discount on any reuse item. A reuse item is a lightly-used assistive technology device which is for sale at an affordable price!

Learn more about the [WATR reuse program](#) and see what devices are available for loan or reuse on [AT4ALL](#).
